MESSAGE OF THE REGIONAL DIRECTOR

With all the years I have spent in DILG Region 1, I have known and witnessed that the DILG personnel are undeniably “Matino, Mahusay and Maaasahan”. It gives me immense pleasure to be surrounded by such individuals who pour their hearts into their crafts, and that’s what keeps the spirit of our mantra – “DILG Region 1, always number 1”.

As we share DILG Region 1’s Annual Report for the CY 2022, we are not just sharing mere paper works accomplished but a glimpse of such ONEderful journey of our ONEderful public servants who contributed their time and dedication in the implementation of the department’s plans, programs and activities.

Seasons change but the flame of resilience and perseverance within us remains unswerving. But amidst the Sturm and Drang, we maintained a peaceful and harmonious community and we were able to continue through God’s grace coupled with your commitment.

Our CY 2022 Accomplishments are guided by former Regional Director Julie J. Daquioag’s principle – “get it first, get it fast and get it right” and our very own S.I.M.P.L.E. formula. Work SIMPLE and live SIMPLE, that’s what they say. But for such SIMPLE mindset we become Systematic and Significant employees with Integrity, Mastery and Potential and be Lustrous, Efficient and Effective public servants. Each and every personnel in the public service diligently followed systematic procedures in performing their functions that helped us to bring out significant outcomes for the delivery of high-quality services to our clients.

Every success holds a story that’s worthy to be put into record and here’s for the DILG Region 1. See and believe that we all have stars inside us, and if we shine altogether as a team, we’re capable of extraordinary things. Let’s shine together, Jewels of the North!

MESSAGE OF THE OIC-ASST. REGIONAL DIRECTOR

“I stand upon my desk to remind myself and the people around me to constantly look at things in a different perspective because in order to cater the best to serve the people, we must first know the people.”

Looking back at the past year, we have undoubtedly faced numerous challenges. The global pandemic has tested our resilience and adaptability. However, in the face of adversity, we have emerged stronger and more determined than ever before. Our collective efforts to navigate these uncertain times have been nothing short of remarkable.

The performance of the DILG Region 1 throughout the year 2022 has been commendable, marked by steady commitment and hard work. Personally, I am incredibly proud of the dedication and perseverance displayed by all the personnel and staff of DILG Region 1. Despite the obstacles, we have continued to deliver exceptional results and make a positive impact in our communities. From organizing virtual events to providing essential services, we have shown that our commitment to serving others knows no bounds.

Additionally, let us not forget the importance of nurturing our most valuable asset: our people. It is our employees who drive our success and fuel our growth. As leaders, it is our responsibility to foster a supportive and inclusive work environment, where individuals are empowered to reach their full potential. We must embrace inclusivity and diversity, ensuring that every voice is heard and every idea is considered.

Furthermore, let us not forget the importance of collaboration and unity. Our strength lies in our ability to work together towards a common goal. By fostering a culture of teamwork and open communication, we can achieve greater heights and overcome any obstacle that comes our way.

As we reflect on the past year and set our sights on the future, let us celebrate our achievements and acknowledge the challenges we have overcome. As DILG Region 1, together we have proven that we are a force to be reckoned with, capable of achieving greatness and excellence in the face of adversity.

As we embark on this new chapter, let us remember our shared purpose and continue to know, inspire and empower one another.

PAULINO G. LALATA JR., CESO V
OIC-ASST. REGIONAL DIRECTOR

EXECUTIVE SUMMARY

With our determination and steadfast commitment to get it first, get it fast, and get it right, **DILG Region 1** once again exhibited a remarkable performance in the implementation of plans and programs for Fiscal Year 2022 that earned various awards and recognition.

1. **Madaydayaw Award** was given to DILG Region 1 for its exemplified teamwork and camaraderie to ensure unhampered travel of the Overseas Filipino Workers across the borders in the region during the heightened community quarantine through close coordination with the local government units.

2. The region bagged the top awards for the **Most Number of Safety Seal Certificate** awarded by DILG Team during the ceremony held at the SM Mall of Asia in March 2022.

3. **Bayanivation** –Two barangays in the region were among the Top 20 Barangay Innovators of the Bayanivation. (**Barangay Poblacion of Burgos Ilocos Norte and Barangay Pogo of Bautista Pangasinan**)

4. **Seal of Good Local Governance** - the region produced **54 LGUs** that passed all governance areas thereby ending to be the second highest number of SGLG passers nationwide.

5. **82 out of 549 barangays** declared as national passers by the SGLG Barangay National Quality Committee are from Region 1 thus having the **most number of passers nationwide**.

6. **36 LGUs** from the region were conferred with the **Seal of Child Friendly Local Governance** based on the 2021 CFLGA hence making us **rank 3 nationwide**.

7. **99% of our LGUs** passed the CY 2021 Good Financial Housekeeping. And again, making **DILG Region 1, number 1!**

8. We are a **National Awardee in the ADAC National Performance Audit** as we have produced the **most number of LGUs with high functional ADACs**.

9. A commendation from the Office of Project Development Service was received by PDMU being **Ranked No. 1 with 99% Compliance to Project Monitoring and Reporting of LGSF, Management Actions, Results-Based Monitoring and Evaluation (RBME) of LGU Infrastructure Projects and DILG Buildings**

10. We have demonstrated our efficiency and effectiveness in performing our support functions as we were **Ranked No.1** in the **Internal Control System Assessment** for DILG Regional Offices. Also, during the **ISO 9001:2015 External Audit, no Non-conformities** were found in the implementation of our Quality Management System.

11. Another award given to DILG Region 1 is the **Best Accounting Office for FY2022**. This recognition was given by the Financial Management Service of DILG Central Office.

EXECUTIVE SUMMARY

In undertaking our mandate to provide rewards and incentives not only to the LGUs and our internal workforce, we have sustained our Regional Awards mechanisms.

1. This year, an **awarding ceremony for the Regional Lupong Tagapamayapa Incentives Award for CY 2022** was held to recognize the efforts of the Lupons with exemplary performance in settling disputes at the barangay level.

2. The **Regional Subaybayani Awarding for CY 2022** was conducted to acknowledge hard work of the LGUs and field offices that have contributed to the success in the implementation of Subaybayan Program. As such, DILG Region 1 has maintained its number 1 rank.

3. The **Jewels of the North** which was championed by former Regional Director James Fadrihan in 2019 was kept to give due recognition to operating units and employees with outstanding performance. Early this year, former Regional Director Julie Daquioag spiced up the meaning of **JEWELS – Joining Empowered Workers for Excellent Lifetime Service** as we conducted the awarding ceremony for CY 2021 PPA implementation.

Amidst the challenges brought by the changing times, DILG Region 1 continues its creativity and innovations as manifested in the following accomplishments:

-**Region-wide convocation** which started in January 2022 and continuously held every first Monday of the month;

-Accredited as **Continuing Professional Development provider**

-**Registered Book Publisher both print and digital** in the National Book Development Board which was realized thru the Local Governance Regional Resource Center;

-**Publication** of the **Comprehensive Development Plan (CDP) Facilitators Toolkit** and **Guidebook for Civil Society Organization in Local Special Bodies**

-Former **RD Daquioag** as **Finalist in** the Capacity Development Awards for Catalysts of Excellence (CapDev ACE) Tatag ng Agila

-**Administrative Assistant II Ely Difuntorum** as on of the shortlisted **nominees** in the Dagitab ng Paglilingkod Award

Guided by the **SIMPLE policy of OIC-Regional Director Agnes De Leon** in becoming significant employees that possess Integrity, capable of being measured, with enormous potential to be lustrous in our workplace ensuring effective and efficient performance of the tasks at hand, we, the men of women of DILG Region 1, continue to commit and uphold the morals of being **Matino, Mahusay at Maaasahang kagawaran ng Pamahalaang Lokal.**

LUPONG TAGAPAMAYAPA INCENTIVES AWARDS (LTIA) REGIONAL ASSESSMENT CY 2022

The Department of the Interior and Local Government (DILG) Region 1 conducted the Regional Assessment for the Lupong Tagapamayapa Incentives Awards (LTIA) for calendar year 2022 on March 20-22, 2022 at the DILG Region 1 LGRRC Conference Hall to assess/evaluate all the nominees from the four (4) provinces of Region 1 and identify the Regional Winners in the three (3) categories, namely: 1) Component Cities Category, 2) 1st – 3rd Class Municipalities Category, and 3) 4th – 6th Class Municipalities Category.

The Department launched the LTIA in 1998 through DILG Memorandum Circular No. 98-56. It aims to strengthen the Katarungang Pambarangay (KP) as an indigenous conflict resolution structure at the grassroots level and to institutionalize a system of granting economic benefits and other incentives to Lupons which have demonstrated exemplary performance. Every year, all barangay lupons will be assessed and evaluated by the City/Municipal/Provincial/Regional Awards Committees based on the following five (5) criteria:

The twelve (12) Provincial Nominees were:

1. Component Cities Category

- Barangay 1 San Lorenzo, Ilocos Norte
- Barangay II, Vigan City, Ilocos Sur
- Barangay Cadaclan, San Fernando City, La Union
- Barangay Pantal, Dagupan City, Pangasinan

2. 1st – 3rd Class Municipalities Category

- Barangay Badio, Pinili, Ilocos Norte
- Barangay Dili, Sta. Cruz, Ilocos Sur
- Barangay Payocpoc Sur, Bauang, La Union
- Barangay Bantayan, Mangaldan, Pangasinan

3. 4th – 6th Class Municipalities Category

- Barangay Caparispisan, Pagudpud, Ilocos Norte
- Barangay Paduros, Burgos, Ilocos Sur
- Barangay Gana, Caba, La Union
- Barangay Batchelor West, Natividad, Pangasinan

The Regional Winners and National Nominees of Region 1 are:

1. Component Cities Category

Barangay 1 San Lorenzo, Ilocos Norte – 95.70 (Outstanding)

Barangay Bantayan, Mangaldan, Pangasinan – 100.00 (Outstanding)

3. 4th – 6th Class Municipalities Category

Barangay Batchelor West, Natividad, Pangasinan – 97.50 (Outstanding)

The two-day activity was participated by the representatives of the members of the Regional Assessment Committee (RAC) from this Department, the Regional Peace and Order Committee (RPOC), Department of Justice (DOJ), Regional Trial Court (RTC), Liga ng mga Barangay (LnB), and the Philippine Chamber of Commerce and Industry (PCCI).

DILG R1 CAPACITATES LGUS FOR ECONOMIC RECOVERY

The Local Government Capability Development Division (LGCDD) just concluded its series of trainings on Local Economic Development for LGUs (LED4LGUs) on 29 April 2022.

The Training on LED4LGUs has 3 Modules designed to help out the nine (9) target LGUs in their economic recovery, namely: Provincial Government of Ilocos Sur and its three municipalities – Narvacan, Sta. Cruz, and Tagudin, and the Provincial Government of Pangasinan and its four (4) municipalities – Asingan, Bani, Bugallon, and Sual. Participants in the said activity were the Local Chief Executives, Planning and Development Officers, Local Treasurers, LEIPOs, SB Members, Local Budget Officers, and representatives from the business sector.

Regional Director Julie J. Daquioag, Ph.D., CESO III, in her message, is optimistic that the LGUs can do more in terms of economic recovery, and this training will help them expand their strategies. Rebuilding the pandemic-battered economy has placed LGUs in a position to make the best use of resources readily available for them to bankroll their recovery programs and help revive enterprises in their localities hardest hit by the global crisis. It will also help LGUs attract potential sustainable investments by creating a competitive local environment. For such potentials to be realized, LGUs must act deliberately, consistently and strategically and figure out how to compete with available meager resources.

Also attended the activity were the participants from the four (4) DILG Provincial Offices along with the Field Officers of the target LGUs and the Local Resource Institute (LRI) partners.

SGLG 2022: PUSHING FOR GOOD GOVERNANCE

The *twenty-three (23) local government units (LGUs)* of Ilocos Norte were simultaneously assessed for the Seal of Good Local Governance (SGLG) 2022 from April 5-April 25, 2022 by the Regional Assessment Team.

District I LGUs were assessed by Department of the Interior and Local Government (DILG) Ilocos Sur Cluster Leader Mila P. Madriaga, LGOO II Paul Bryan Cabalbag and CSO Representative Ptr Gerald Conde. For district II LGUs DILG Ilocos Sur Program Manager Ceasarieta Pestano, LGOO III Mayvely Supnet, and CSO Representative Samantha Keith Castro conducted the assessment.

Meanwhile, the assessment of the Provincial Government of Ilocos Norte (PGIN) was conducted on April 27, 2022. DILG Region 1 Assistant Regional Director Agnes A. De Leon served as the Rat Team Leader while DILG R1 Local Government Monitoring and Evaluation Division (LGMED) Asst. Division Chief Leslie Carol Isip, and CSO Representative Ms. Samantha Keith Castro served as members.

In his message, PD Sison said that the SGLG is not merely a tool to assess but also a tool to recognize outstanding performance in local governance.

"Firstly, SGLG is a tool in order to assess and determine an LGUs strength and identify existing gaps in order for them to improve their performance towards good local governance. Secondly, it is also a tool to incentivize excellent performance of LGUs," he said. On the other hand, ARD De Leon said that through the SGLG, LGUs will be able to evaluate their performance for the past and current years to ensure effective provision

BRGY. POBLACION, BURGOS, ILOCOS NORTE BAGS TOP 5 GRAND WINNER FOR BAYANIVATION 2.0

Barangay Poblacion, Burgos, Ilocos Norte was awarded as **TOP 5 Grand Winner** during the recently concluded Bayanivation 2.0: Barangay Innovation Challenge Competition 2022 awarding ceremony on April 26, 2022 via online platform.

Punong Barangay Jeogie B. Jimenez spearheaded the barangay team in designing an incentivized system where residents can exchange their plastic waste for grocery items, necessities and school supplies. The said project was selected to address the problem category they were given under the Environment and Sustainability Area.

Barangay Poblacion is grateful for the support they have received from the Local Government Unit and their partner agencies.

According to PB Jimenez, this program helped them bring the residents, public servants and youth leaders to co-create solutions to address their community challenges.

Bayanivation is a nationwide program that aims to spark civic innovation and digital transformation in local governance in the Philippines.

GETTING READY FOR THE 2022 NEO PROGRAM IMPLEMENTATION

The DILG Region 1 gears up for the Newly Elected Officials (NEO) Program implementation for 2022 during the Regional Management Meeting at Awesome Hotel, San Juan, La Union in June 24, 2022. The NEO Program is a term-based capacity development (CapDev) program of the Department of the Interior and Local Government (DILG) to assist the newly elected local officials in transitioning to their posts, preparing them to their responsibilities in managing their local government units (LGUs) application. Region 1 was one of the two regions chosen to represent the regional offices in the Department.

The 2022 NEO Orientation for the newly minted Governors, City and Municipal Mayors will be conducted by the Local Government Academy (LGA), while the orientation for the re-elected and come-backing Local Chief Executives (LCEs) will be handled by the DILG Regional Office.

The NEO Program 2022 in Region 1 will kick-off with the Orientation for NEOs: Priming the Newly Elected LCEs, this month of July 2022. THIS YEAR'S "DAGYAW SA ILOCOS" EVENT TACKLES REVITALIZING MSMEs

In the quest of portraying the concept of "togetherness" in good governance, meaningful discussions between the government and the Filipino people continue under the 2022 Dagyaw Open Government Townhall Meeting.

This year's episode, co-convened by PIA and DBM Region 1, the DILG - R1 hosted the returned face-to-face Dagyaw on November 9, 2022 at EM Royale Hotel and Resort, San Juan, La Union, livestreamed via Zoom and Facebook LIVE with a topic "Talakayang Bounce Back sa Negosyo at MSME".

Over 150 Micro, Small, Medium Enterprises (MSMEs) and 1,716 combined online viewers pooled as audience and take an active part in the open public dialogue. Talks highlighted on MSME statistics of the region, updates on preparations and systems put in place by the national government to facilitate sound recovery for MSMEs, flagged key issues and concerns posed by the COVID-19 and other current issues the sector is facing, and action items to address them ways forward. Information Officer III Ms. Joanne Namnama P. Dilim of the Philippine Information Agency R1 served as the moderator of the event.

As partners in development, the session was joined by partner Civil Society Organizations (CSO) represented by Ms. Zenaida Reño and Mr. Joel Sudarya of Nueva Segovia Consortium of Cooperatives and Mr. Racky Doctor of Pangasinan Entrepreneurs Development Association, Inc. Both CSOs provided additional context, support, and guidance on the MSME issues from the lens of their advocacy.

Generally, the activity hopes to encourage MSMEs to thrive in an increasingly global and competitive e-commerce industry and maximize the knowledge of the public to become more competent and resilient as they embrace opportunities and challenges in the new and better normal.

Towards the end of the program, Dir. Ria Bansigan, Regional Director of DBM Region 1 concluded and synthesized what transpired in the session with a heartfelt speech underscoring that bounce back efforts after the pandemic meltdown is not a sole responsibility of the government but should be a consorted effort from everyone. First launched in 2019, the "Dagyaw: Open Government and Participatory Governance Regional Town Hall Meetings" provides a venue for dialogues between the government and different sectors on national and local issues and plan. Dagyaw remains one of the programs of the Participatory Governance Cluster (PGC) contributing in achieving its goal of enhancing citizen participation in governmental processes.

DILG REGION I SUPPORTS DUTERTE LEGACY CARAVAN PROJECT

DILG R1 joined the “Duterte Legacy Caravan Project thru Convergence of all Government Agencies” on April 19, 2022 at Police Regional Office 1 (PRO1) Auditorium, Camp BGen Oscar M Florendo, Parian, City of San Fernando, La Union. The activity was spearheaded by the PRO 1 headed by PBGen Westrimundo D. Obinque.

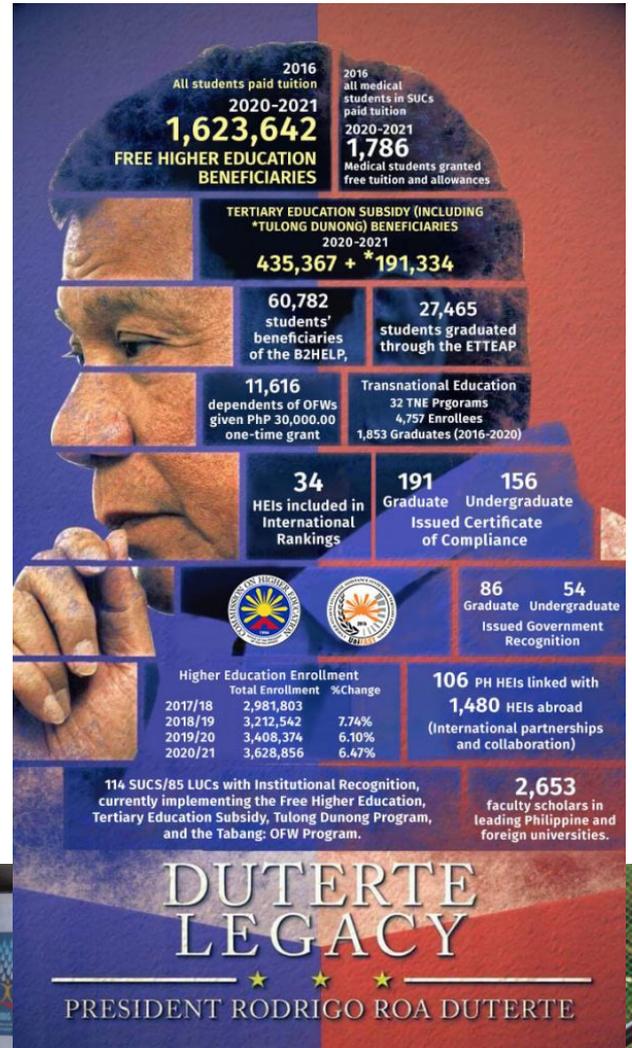

DILG R1 Regional Director Julie J. Daquiaoag, Ph.D., CESO III in her message, emphasized the Legacy of the Duterte Administration, the initiatives and services provided to the people. “President Rodrigo Roa Duterte’s (PRRD) great accomplishments will be in our hearts and in our minds. And most of all, our people are the witnesses of those services, programs, projects and activities that improved their quality of life,” said RD Daquiaoag.

“DILG will always be a partner in nation-building. With strong political will, we can do it, survive against all obstacles and challenges especially the pandemic,” RD Daquiaoag added.

RD Daquiaoag reaffirmed DILG’s continuous support to local governments in providing effective technical and administrative services to promote excellence in community live happily. The Department commits to consistently demonstrate a Matino, Mahusay, at Maaasahang Kagawaran para sa Mapagkalinga at Maunlad na Pamahalaang Lokal.

Other guests who conveyed their messages during the program were PLtGen Rhodel O Sermonia, Deputy Chief of PNP for Administration; Dir. Mildred C. Abordo, NICA Regional Director; Atty. Cherry Ann Dela Cruz, Spokesperson National Coalition of Lingkod Bayan and Advocacy Support Group and Force Multiplier; Mr. Wilbert L. Palar, KKDAT Regional President; Mr. Nwosu Blessing Ngozi, FNKN Regional President; and a Former Kadre of Communist Party of the Philippines/ New People’s Coalition (CPP-NPA).

The Duterte Legacy Caravan aimed at informing the public on the government’s landmark programs geared towards real change and delivery of basic services. Participating regional line agencies provided their basic services to the advocacy support groups and force multipliers.

VALIDATION OF 111 BARANGAYS WITH DRUG CLEARED STATUS

One hundred eleven (111) barangays with drug cleared status were validated last March 24, 2022 at Hunters Den, PDEA Compound, Camp Diego Silang, Carlatan, City of San Fernando, La Union. The Regional Oversight Committee Barangay Drug Clearing (ROCBDC) is chaired by PDEA with DILG, PNP, DOH and LGU representatives as members.

2021 ANTI-DRUG ABUSE COUNCIL (ADAC) REGIONAL PERFORMANCE AUDIT

In compliance to the DILG Memorandum Circular 2022-034 (Conduct of CY 2021 Anti-drug Abuse Council (ADAC) Performance Audit) DILG Region 1 kicked off the CY 2021 ADAC Regional Performance Audit on May 31, 2022 at the DILG R01 Training, Hall, Aguila Road, Sevilla, City of San Fernando, La Union.

The activity was a collaborative effort of the Department of the Interior Local Government Regional Office I, Philippine Drug Enforcement Agency (PDEA) Region 1, Philippine National Police PR01, National Chaplain of the Philippines La Union Chapter (Civil Society Organization), and Pastor Fellowship Inc., City of San

Fernando, La Union (Civil Society Organization). The CY 2021 ADAC Performance Audit aims to assess the functionality and effectiveness of local ADACs based on existing issuances and policies, determine ADAC-initiated and/or endorsed innovations and best practices at all levels, create a platform for evaluation and assessment, and recognize the best, effective, and performing ADACs.

The four (4) Provinces of Region I and one (1) Independent Component City (Dagupan) was evaluated by the ART Team according to six indicators, to wit:

1. Creation or reorganization of ADAC;
2. Allocation of a Substantial amount as indicated in the ADAC Plan;
3. Formulation and Implementation of Plans and Programs;
4. Supervision and Support to component ADACs;
5. Conduct of meetings, and 6. Innovation/s.

The calibrated and finalized Audit Results will be submitted at the ADAC the National Audit Team (ANT) before June 10, 2022. An award will be given to the best effective performing/ outstanding ADACs, pursuant to Section VII of DILG-DDB JMC No. 2018-01.

CY 2022 ADAC Regional Performance Audit
May 31, 2022

"Today is another activity that will spell good public service to the area on peace and order because we are going to have the ADAC Regional Performance Audit CY 2022 and this will give a lot of challenges and inspiration to our Local Government Units most especially on how they perform in terms of the different criteria for assessment."

"The result of the audit will be communicated to LGUs and will serve as a guide to the incoming local officials on how to come up with programs that will eliminate the drug problems."

"We want Region I to be always a region where peace and order accounts and that this drug problem will be slowly eliminated."

JULIE J. DAQUITOAG, Ph.D., CESO III
Regional Director,
DILG Region 1

CY 2019 AND 2021 PEACE AND ORDER COUNCIL (POC) PERFORMANCE AUDIT

In collaboration with the Philippine National Police PRO1, Philippine Navy (Naval Forces Northern Luzon), Philippine Drug Enforcement Agency (PDEA), and Kiwanis Club of Laoag City (Civil Society Organization) DILG R1 conducted the CY 2019 and 2021 Performance Audit of the **4 Provincial Peace and Order Councils (PPOCs) and 1 City Peace and Order Council (CPOC) - Independent Component City** in the region on May 26, 2022.

Regional Audit Team (RAT) formed includes the above-said agencies and Non-government Organization and assessed the performance of PPOCs and CPOC on their functionality guided by the following Audit Pillars: (1) Organization (2) Policies, Plan, and Budget (3) Meetings (4) Reports and (5) Innovations. Furthermore, the audit also aims to determine possible interventions and improvement strategies for POCs and their POC secretariats and identify their innovations as well as their best practices.

The RAT, thru face-to-face table assessment, audited and validated the documents submitted by the 4 Provincial POCs and CPOC of Dagupan City using the indicators, parameters, MOVs, and remarks that measures the performance of their POCs provided in the DILG Memorandum Circular No. 2022-013 guidelines. Results of the performance audit are yet to be finalized and to be submitted at the National Audit Team (NAT) by the end of the month. On the other hand, PAT performance audit for Cities and Municipalities already took place last May 1 – 20, 2022.

Meanwhile, release of POC Performance Audit Results and Recognition of Top Performing POCs and POC Secretariats shall take place by the end of June. POC Performance Audit for CY 2020 was not pursued due to the suspension and cancellation of Program, Projects and Activities of POCs and reallocation of their funds for COVID-19 response.

Changing the Mindset from Me to We: Harnessing the Active Participation and Partnership of the Youth (HAPPY) towards a Drug Free Philippines

To intensify our advocacy campaign on disaster preparedness and anti-illegal drugs in our region, the DILG Region I through the Local Government Monitoring and Evaluation Division (LGMED), conducted a three-day event on September 28-30, 2022 which was participated by Sangguniang Kabataan Leaders/ Youth Representatives and LYDO from the four (4) provinces of Region I – Ilocos Norte, Ilocos Sur, La Union and Pangasinan.

Highlights of the event were the team-building activities, first aid and rescue operations drills and talent night. Participants were divided into four groups and were tasked to develop a TikTok/video clip on Anti-Illegal Drugs thru HAPPY. These videos were later on uploaded to the DLIG R1 website and Facebook page and were used as IEC materials.

ORIENTATION ON THE LGSF-FALGU AND SUPPORT FOR CAPITAL OUTLAYS AND SOCIAL PROGRAMS UNDER FY 2022

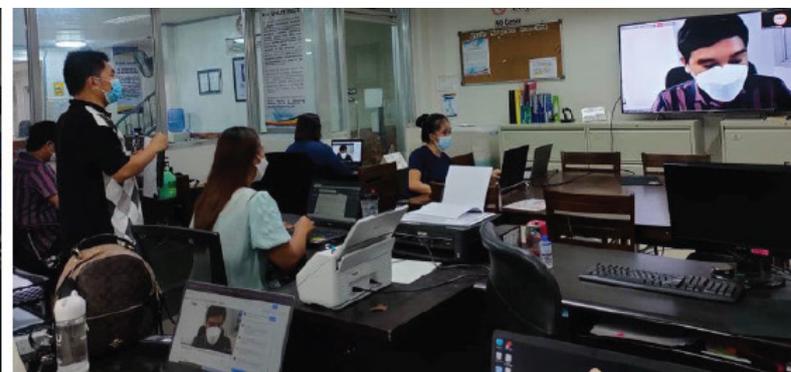

Guided by its mandate to strengthening local government capacities, the DILG RO1, through the Project Development and Management Unit (PDMU) captained by PDMU Chief Engr. Sharwyn M. Sangel, En.P., in partnership with the Department of Budget and Management (DBM) RO1 spearheaded a Virtual Orientation on the LGSF-FALGU and Support for Capital Outlays and Social Programs under FY 2022 which was attended by DILG Provincial Directors, LFPs Focal Persons, C/MLGOOs, Local Chief Executives, Provincial Engineers, City/Municipal Engineers, PPDC, C/MPDC, Punong Barangays and officials of Region 1 via Zoom and simultaneous Facebook live stream. "We just have one objective, to serve and give what is due to our clientele-to the people" said DILG RO1 Dir. Julie J. Daquiaoag, Ph. D., CESO III as she welcomed the participants in her Opening Remarks during the preliminaries.

DBM RO1 Dir. Ria Bansigan, the guest speaker, headed the discussion that was focused on the Guidelines on the Release and Utilization of the LGSF-

FA and Support for Capital Outlays and Social Programs under FY 2022 GAA, R.A. No. 11639/Local Budget Circular No. 142 which aim to properly guide the participants in the submission of eligible projects, to lessen backlogs and to avoid cancellation of projects through the elaboration of guidelines, limitations and correct processes for the FALGU FY 2022.

Also, in the said activity, the legal basis and eligible projects were highlighted and it was mentioned that the total appropriated amount for both LGSF-FA and Support for Capital Outlays and Social Programs is approved at 10.5 Billion pesos. The procedural flow from preparation to submission was also reiterated. There were 300 attendees via Zoom platform and over 500 viewers in the FB Live Stream.

An open forum was held at the end of the presentation to address the inquiries and concerns of the attendees. The orientation ended with the Closing Remarks of PDMU Chief Sangel.

DILG R1 CONDUCTED SERIES OF TECHNICAL ASSISTANCE ON THE ACCOMPLISHMENT OF ONLINE PROFILING AND PERFORMANCE BENCHMARKING FORMS FOR LGU MANAGED WATER UTILITIES

March 21, 2022- To affirm its mandate on strengthening local government capacities in the delivery of water supply and sanitation services, the DILG RO 1 through the Project Development and Management Unit (PDMU) spearheaded a technical assistance on the accomplishment of Online Profiling and Performance Benchmarking Forms for LGU Managed Water Utilities in the region.

Different Functionaries of the invited LGUs attended the said activity specifically from Tubao (La Union), Aguilar, Labrador, Mangatarem, San Fabian and San Jacinto (Pangasinan).

Engr. III Cherry U. Adriano, with the guidance of PDMU Chief Sharwyn M. Sangel captained the discussions on the procedural flow of the needed preliminaries for data gathering covering Annexes C and D particularly the Online Profiling and Performance Benchmarking Forms.

A hands-on activity took place in the afternoon wherein the LGUs were given some time to accomplish the forms followed by the presentation of outputs. Trained Engineers Andres O. Quiaoit (Engr. IV), Cherry A. Adriano (Engr. III), Jan Patriz L. Mariano (Engr. II) and Jan Omar O. Panelo (PEO I) provided inputs for the finalization of the tool.

Also present are the DILG Provincial Engineers from Pangasinan and La Union who are vital in the success of the said activity as they helped improve service delivery.

Before the activity concluded, participants were given time to express their concerns and inquiries and were addressed accordingly. Finally, both parties agreed on the date of submission of to-follow documents.

ORIENTATION WORKSHOP FOR CSO DESK OFFICERS

Intensifying CSO participation thru the Establishment of CSO Desk Officers at the LGUs for a Healthy Participatory Governance on May 25, 2022, DILG Region, led by the Support for the Local Governance Program (SLGP), in collaboration with the Local Governance Regional Resource Center - 1, held a hybrid training program at Puerto de San Juan Hotel and Resort, San Juan, La Union with a program title "Orientation Workshop for Civil Society Organization (CSO) Desk Officers". The said venue was attended by the participants coming from the LGUs of La Union while participants from the other 3 provinces were convened at a hotel venue and joined the sessions via Zoom application.

The Capacity Building program aims to acquaint and educate the **129 CSO Desk Officers** on the principles of Participatory Governance as well as on the various platforms for CSOs to engage in local governance. Likewise, the activity aims to orient the participants with DILG policies governing CSOs

(i.e. DILG Memorandum Circulars Nos. 2019-72 and 2021-054) and level off with their roles in (1) CSO Accreditation and their Selection of Representatives in Local Special Bodies and (2) the Institutionalization of People's Council at the LGU.

Part of the activity flow was the conduct of workshop exercises for them to provide insights and recommendations on how they can perform better their duties and responsibilities and how the CSO Desk will mobilize in handling CSO-related concerns.

Also present at the venues were the DILG Provincial Directors and staff and some field officers. Trained CSO Desk Officers are expected to facilitate the conduct of CSO conferences come reconstitution of local special bodies by 3rd quarter of 2022. They will be again invited for another training activity to become trainers on the National Implementation of CSO CapDev Program that shall take place by 4th quarter of the same year.

SUSTAINABLE WATER SOURCE IN RURAL AREAS BOOSTS LOCAL ECONOMIC ACTIVITIES

Everybody needs a safe and clean water to quench thirst and to stay healthy. The government aims to contribute to the accomplished its goal of providing potable water to the whole country especially in the areas that experience scarcity of water in the rural areas. The Sagana at Ligtas ba Tubig para sa Lahat or SALINTUBIG is one of the priority projects of the government.

The residents of Barangay Namruangan, Cabugao Ilocos Sur was a recipient of the Local Government Support Fund- SALINTUBIG Fiscal Year 2020 General Appropriation Act for the project on the Improvement of Level II Potable Water System. **Php 11.29 million** was allotted for the project. A total of **2,119 residents which include children** are the beneficiaries of the project.

A deep well served as water source, beside a pumping station was built to Tapstand were established at the sides of the streets where the residents can fetch water. The construction of the project started on December 28, 2020 and was completed on November 26, 2021.

Florence Sambrano an entrepreneur and a resident of the said barangay is very thankful for the SALINTUBIG Program. She is able to gain more profit from her halo-halo business, because a clean and safety water is readily available when she needed to make ice to be used for her business.

"I am glad that we have this SALINTUBIG of the DILG, this is where we fetch water, we also drink the water from here (tapstand)," said Sambarano.

Another resident, Thelma Saniatan, is grateful, they save a lot of money, since the water system became operational on November 2021. They drink water coming from the tapstand.

Barangay Namruangan was also a beneficiary of the 2017 Assistance to Disadvantaged Municipalities, which addressed the water supply insufficiency for the whole barangay. Some sitios were still experiencing scarcity of water during the months of April to May or during the dry season.

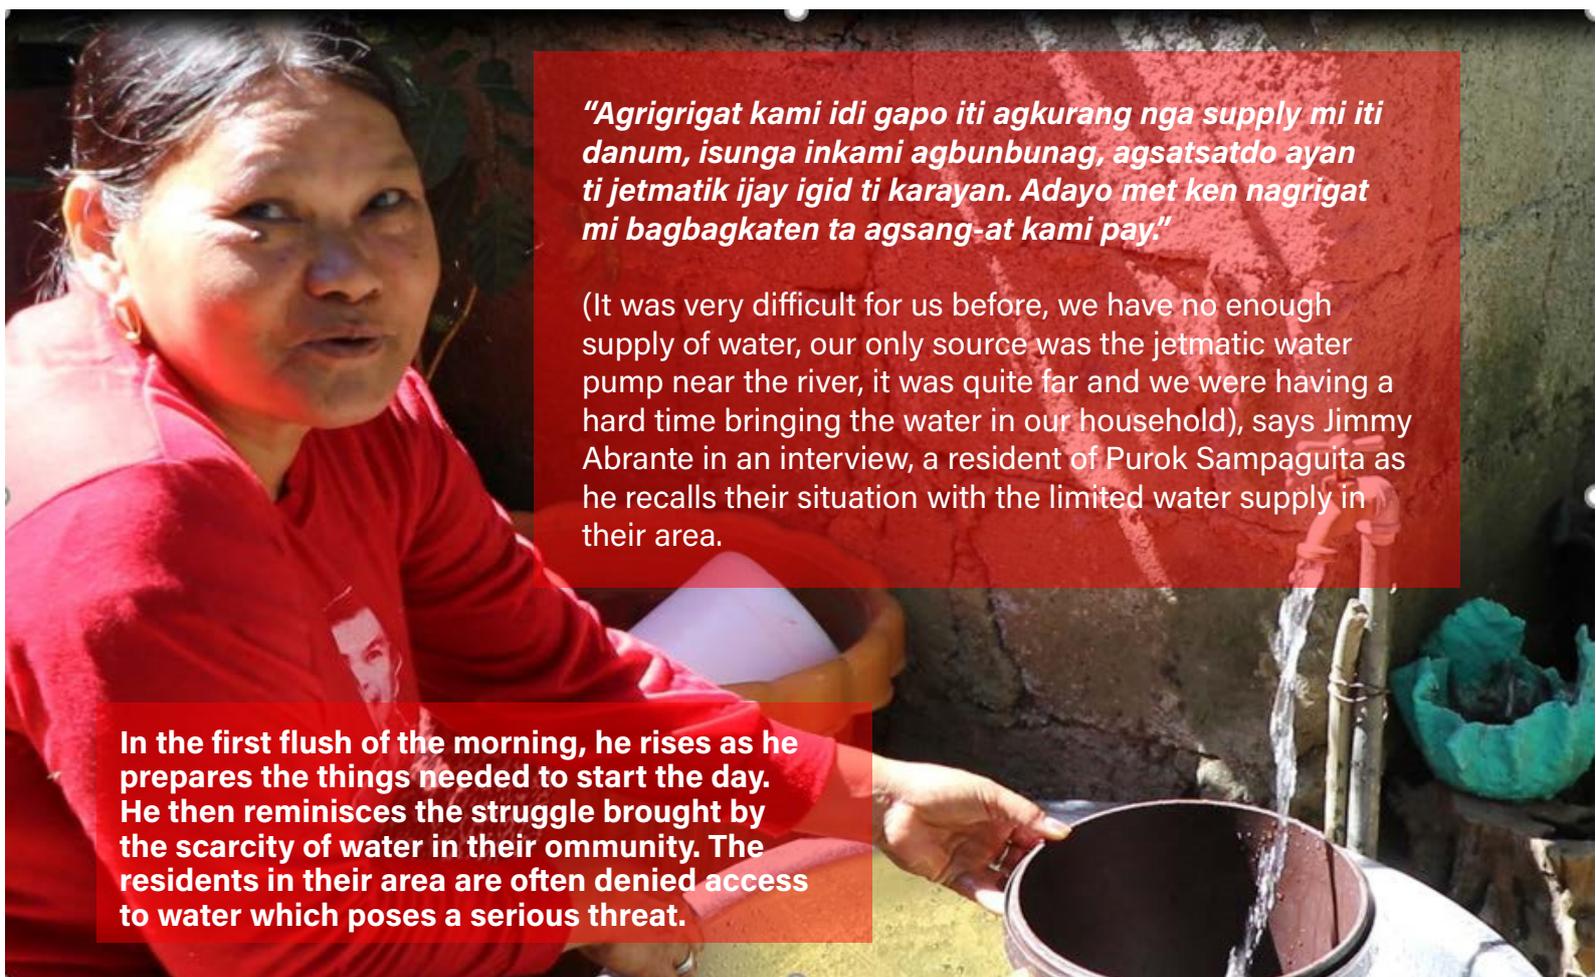

"Water was scarce, even if we do have wells and electric water pumps as additional source of water, it was not enough. But when the SALINTUBIG Project was completed, everybody was happy. Water now is overflowing!" added Barangay Chairman Robertson Gorospe.

EVERY DROP COUNTS AS AM 2020'S IMPACT EMPOWERS COMMUNITIES

"Agririgat kami idi gapo iti agkurang nga supply mi iti danum, isunga inkami agbunbunag, agsatsatdo ayan ti jetmatik ijay igid ti karayan. Adayo met ken nagrigat mi bagbagkaten ta agsang-at kami pay."

(It was very difficult for us before, we have no enough supply of water, our only source was the jetmatic water pump near the river, it was quite far and we were having a hard time bringing the water in our household), says Jimmy Abrante in an interview, a resident of Purok Sampaguita as he recalls their situation with the limited water supply in their area.

In the first flush of the morning, he rises as he prepares the things needed to start the day. He then reminisces the struggle brought by the scarcity of water in their community. The residents in their area are often denied access to water which poses a serious threat.

Water was truly a struggle for the people of Barangay Payac, Bangui, Ilocos Norte. Their only source was a water pump which nearly a kilometer away from their household. They are not being supplied by the water district and were also denied for service by water utility companies because of the remote location of their area. Tatay Jimmy said that all his life water has always be of the mandates of the Department of the Interior and Local Government (DILG) is to assist the Local Government Units (LGUs) to effectively and efficiently deliver services to their constituents. In this regard, programs and projects are created to ensure that the citizens will be provided with the basic needs and access to social amenities.

Among the initiatives the department wants to address, the sustainability of water supply system is of great priority. We want our communities to be able to use water which is well rounded, adequate and affordable. To this end, the improvement of Level 3 Potable water system at Barangay Payac was funded and constructed through the Assistance to Municipalities (AM) 2020 Program of DILG with an allocation of Php 1,800,000.00.

With the implementation of the project, 245 beneficiaries now enjoy the tap stands that bring safe and clean potable water. Indeed, the project not only addressed the health concerns of the residents but also improved their economic conditions. While they already have access to potable water, it also means that they can stay physically healthy and prevent diseases caused by a lack of adequate water, sanitation and hygiene.

The completion of the potable water system truly touched the hearts of the locals. Michael Sallutal, the Punong Barangay of Barangay Payac, expressed his appreciation to this initiative. He said that this project really is a great help to their community. They have always been unable to convince the water district to extend water lines to their neighborhoods so they are very gratified that this project materialized.

The continuous implementation of this project makes it possible for the residents to improve their health and boost their welfare while performing their activities of daily living. Access to clean water reduces the amount of time needed to fetch and gather water. This time could be better used up in growing food and cultivating land, it can also be used in studying or finding jobs all of which could help them be productive and for their community to develop economic growth.

DILG R1 NOW AN ACCREDITED CPD PROVIDER

The CPD Council of Environmental Planning has approved the accreditation of the Department of the Interior and Local Government (DILG) Regional Office 1 as a Continuing Professional Development (CPD) Provider after completing the requirements in accordance with the PRC Resolution No. 1032, Series of 2017 or the Implementing Rules and Regulations of Republic Act No. 10912, otherwise known as the CPD Act of 2016. Republic Act No. 10912 was enacted by the Congress in March 23, 2016 to promote and upgrade the practice of professions in the country. The DILG Region 1 as an accredited CPD Provider can now provide CPD units with its future training programs related to Environmental Planning starting with the Management Course for Local Officials and Functionaries, a joint project of a consortium of DILG Region 1 through its Local Government Regional Resource Center (LGRRC) and Saint Louis College (SLC). The Management Course for Local Officials and Functionaries is a short online course offering in the preparation or updating of the 6-year Comprehensive Development Plan (CDP) of Local Government Units (LGUs). The said course is offered to all local officials and functionaries, especially Local Planning and Development Coordinators (LPDCs) and their technical staff, and all interested employees of the national government in the region.

This accreditation as CPD Provider is another milestone of DILG Region 1 in its commitment to support not only the continuing professional development of all local planners who are licensed Environmental Planners, but also all licensed Environmental Planners from National Government Agencies (NGAs).

ON-SITE VALIDATION AND TECHNICAL ASSISTANCE ON VARIOUS LGUS IN REGION 1 AS PART OF SITREP

Due to the Philippines being a calamity-prone country, Local Government Units (LGUs), along with the National Government, are in a constant disaster preparation to save lives and mitigate damages caused by these adversities. However, on July 27, 2022, at exactly 8:43 AM Philippine Standard Time (PST), the provinces in the northwestern Luzon and adjacent areas including Metro Manila were shook by a 7.0 earthquake with the epicenter located in Tayum, Abra. This unforeseen tragedy resulted to 11 casualties and at least 615 injured.

More than 35,000 houses, schools and other buildings were damaged or destroyed resulting to Php 1.88 billion worth of damages.

On August 23, 2022, less than a month later, Severe Tropical Storm (STS) "Florita" made landfall over the province of Isabela that brought heavy to intense rains throughout the north and central Luzon including Metro Manila and CALABARZON in the south. The aftermath of the storm saw a total of Php 1.13 billion worth of damages in agriculture, more than 180,000 affected people and 4 casualties.

In response, the DILG R1 Project Development and Management Unit (PDMU) Regional and Provincial Engineers conducted a series of on-site validation and technical assistance to identify damaged infrastructures to various LGUs from August 29-September 23, 2022 throughout Region 1.

The said validation was part of the Situational Report (SITREP) provided by the National Disaster Risk and Reduction Management Council (NDRRMC) to identify the situation and to formulate responses for the areas affected by the calamities.

**DISASTER

PRO-LIFE, PRO-SANITARY LANDFILL (AM-DRR 2020-PASUQUIN, ILOCOS NORTE)

Sanitation as defined in the lexicon, is the promotion of hygiene and prevention of diseases by maintenance of sanitary conditions (as by removal of sewage and trash)-often used attributively. It also refers to the safe collection, transportation and proper disposal of wastes. With this, the befitting sanitation management promotes health, improves the quality of environment and enhances quality of life in the community.

One of the subsets of environmental sanitation, categorized under solid waste management is the onset of sanitary landfills. Sanitary landfill is a modern engineering landfill where waste is allowed to decompose into biologically and chemically inert materials in a setting isolated from the environment (Chen et al., 2003; Pruss et al., 1999). The main purpose of sanitary landfills is to ensure waste is safe by reducing the harm from accumulated waste and allowing safe decomposition. The alternative layering of garbage and soil aids in hastening decomposition.

Acknowledging its purpose and importance, anchored in the Republic Act 9003- An Act providing for an Ecological Solid Waste Management Program, the Municipality of Pasuquin, Ilocos Norte prioritizes construction of such. The project entitled "Construction of Sanitary Landfill with MRF in #22 Brgy. Dilanis (Phase 1)" was located in Brgy. Dilanis, Pasuquin, Ilocos Norte. It was funded by the Department of Interior and Local Government (DILG) under the Local Government Support Fund Assistance to Municipalities-Disaster Risk Reduction (LGSF AM-DRR) Program. It has a partial area equal to 10,000 sq. meters with a total project cost of Php12,078,959.88. The phase 1 was completed last April 2021.

As part of DILG's oversight function over LGUs, Engr. Sharwyn M. Sangel, DILG R1's PDMU Chief and Information Officer I Joyce M. Delos Santos visited the project site last May 18, 2022 accompanied by a representative from the Municipal Engineering Office. Engr. Lloyd B. Manayan, Municipal Engineer of Pasuquin, Ilocos Norte shared during the interview, "Dati po kasi ang sanitary landfill namin dito ay open dumpsite, hindi namamaintain. Ang mga plastic sa gilid ay nakakalat lang at tsaka may Cease and Desist Order na po ang DENR doon kaya kinakailangan talaga ang panibagong sanitary landfill. Bago po maipatayo itong sa Dilanis, nagkaroon kami ng series of consultation at public hearings, tapos site inspections at timely na merong lupa doon sa Dilanis na open at pwedeng gawing landfill. Ang kagandahan dito sa bagong sanitary landfill ay meron siyang Residual Containment Area (RCA). Meron ding Materials Recovery Facility (MRF) na nakakadagdag sa kita ng mga nasa barangay."

Mr. Nelson Udando, a resident of #22 Brgy. Dilanis, Pasuquin, Ilocos Norte where the landfill was built and one of the security guards assigned in maintaining safety and order in the project narrated, "Idi awan pay datoy, makita idiyay igid kalsada nga isu iti pagbasbasuraan da ket nakaal alas a kitkitaen ken nakabangbangsit nu malabasan mi nga ingkami apan agpaili isu agyaman kami datoy a proyekto." Ms. Violeta Seguvia, 56, also a resident of the said barangay added that she's grateful for the jobs generated for her fellow residents. Since all the workers in charge of segregation and security are from Brgy. Dilanis, the unemployment rate was lessened.

On behalf of the residents of the said barangay, Hon. Fernand Dalere, Barangay Captain of Dilanis, Pasuquin, Ilocos Norte thanked the DILG for funding the said project and expressed his appeal to the LGU of Pasuquin to continue the development of the landfill to reach its full potential and to maximize its benefit to the barangay.

PROGRESS THROUGH RESILIENCY AND PREPAREDNESS

Our country is very vulnerable to natural disasters, due to its location, we often experience calamities that would cause a great deal of damage to our properties and livelihood. Situated in the coastal part of barangay Dacap Sur, in the municipality of Bani, Pangasinan lies Sitio Olanen. A community nestled between the sea and steep ranges and terrains.

Due to its location, the people here are heavily dependent to fishing as their primary livelihood. However, because of rising sea levels, roads and several houses in Sitio Olanen are prone to being submerged especially during typhoons and heavy rains. The residents of Sitio Olanen have endured this scenario for the longest time. Most of the residents have to evacuate their homes to ensure safety every time the need arises Resident and barangay kagawad Pedrito R. Fabricante Jr recounts,

“Kapag habagat na po, simula na po yan ng kalbaryo po namin ditong mga taga tabing dagat. Napakalaking problema tuwing dumarating yung malalakas na bagyo kasi andyan yung malalakas na alon. Yung mga bato galing dagat ay sumasampa sa kalsada naming. Ang ginagawa naming dito, yung iba umaalis sila at pumupunta sa mas mataas na lugar”.

Because of this, the municipality of Bani proposed a long-term solution to ensure the safety of the residents and the continuity of livelihood in Sitio Olanen. Hence, with the assistance of the Local Government Support Fund (LGSF) lodged through the Department of the Interior and Local Government (DILG), the municipality was able to build a soil erosion control infrastructure under the Disaster Recovery and Rehabilitation Assistance Program (DRRAP) in Sitio Olanen funded on 2021 and completed on the same year. This program gears towards enhancing the capacity of Local Government Units (LGUs) in line with the government’s initiative to adapt, mitigate and prepare for climate changes and disasters. The Php 100,000 barrier served as sea-wall that provides protection against strong waves and also keeps the ground from eroding. Since the completion of this project, there is a big improvement in lessening flood and erosion prone areas which resulted in the expansion of houses and local stores in Sitio Olanen.

The residents of Sitio Olanen stood their ground by being resilient to challenges. With the addition of the infrastructure in their community, residents are more prepared in facing challenges and gearing towards progress.”

Napakalaking tulong po ito sa amin. Noon, ayaw nilang magpatayo ng bahay dito dahil baka matabunan ng mga bato o masira ng mga alon. Nagpapasalamat po kami sa pamunuan ng DILG at nabigyan po kami ng ganitong project”. Fabricante, Jr. added.

LRMPAT RESULTS VALIDATION

Local Road Management Performance Assessment Tool (LRMPAT) is utilized to gauge Local Government Unit's (LGU) performance in local road management. Since its development in 2011, it undergoes a lot of study, pilot testing's and developments for two years before it was rolled out in 2013 wherein the rating process was done via trained assessors from DILG. To cater the changes in terms of policies, programs, and activities in the local road management programs, it was again revised in 2014 and in 2015 the LRMPAT version 4 was released and implemented. As of this year, the process is self-assessed, where all LGUs are the ones assessing their own performance based on the agreed criteria while DILG appointed validators check on the accuracy of their results.

Affirming its mandate in line with LRMPAT utilization, designated representatives from Project Development and Management Unit (PDMU) of DILG R01 headed by Engr. Sharwyn M. Sangel navigated the Provincial Government as well as 17 municipalities in the Province of Ilocos Nort convened last May 16-20, 2022 to validate the submitted ratings and to provide the final copy to the respective concerned offices.

In coordination with the respective MLGOOs, as per schedule, the team managed to meet the LGU functionaries of PGIN, Marcos, Banna, Badoc, Pagudpud, San Nicolas, Bacarra, Carasi, Vintar, Solsona, Currimao, Nueva Era, Pasuquin, Bangui, Burgos, Sarrat, Paoay and Laoag City involved in the assessment to witness the face-to-face discussion per indicator and final presentation of ratings. Also present are LGOO II Dino Ramos, Engr. Larence Keir Mariano, Engr. Jan Patriz Mariano and Engr. Dimejoe Ninon of the DILG Ilocos Norte Provincial Office.

With the LRMPAT Framework of capacity, performance and impact in mind, Engr. Sheen Mark C. Pagaduan, Engr. Marc H. Gabuat and Engr. James Tadifa exhibited their expertise in conducting the attestation of results, in explaining the data reflected and in answering inquiries regarding the said tool.

As the activity concluded, the validators congratulated the LGUs for complying and encouraged them to embrace the tool's importance and its value. They reminded the functionaries to enhance their inventory of needed documents, to step up in the areas where they are lacking and develop further in the indicators where they excelled for better ratings in the next assessments to come.

The success of the province and the municipalities in the validation also signifies success of their constituents, for everything is done for the love and service to their community.

ROAD TO ACCESSIBILITY AND CONVENIENCE

In the small agricultural communities of Barangays Población A - D, in the municipality of Tayug, Pangasinan, the rehabilitation and improvement of local access road was funded and constructed under the Department of Interior and Local Government (DILG) – Assistance to Municipalities Program (AM 2019) with an allocation amounting to **Php 11,350,000.00** and has a total length of **2.12 kilometers**.

Municipal Engineer Edson Tandoc said in an interview that the purpose of their AM 2019 Project is to improve the road especially in Poblacion B. This is because when there is a heavy rainfall, the water flows through the road resulting for a flood to rise. Asphalt was the previous road pavement and we all know that it doesn't last quite as long as concrete, thus the said road continues to deteriorate.

This project provides people and vehicles to commute a wide range of locations and help them to reach their destination without any disturbances. It also improves the transportation of locals' farm produce to the market and town center, thus improving socio-economic activities in the area.

The residents were very happy with the completed project. They appreciate the drive of the government to help them out and have a comfortable life. With this, they are conducting monthly clearing operations to preserve the road and enhance its benefits. "Naglilinis po kami ng kalsada, importante po talaga yun", Pantaleon says.

"Ngayon po maganda na po ang kalsada, matibay po yung pagkakagawa, dire-diretso na po ang mga sasakyan. May mga nadagdag din po na business tulad ng mga sari-sari store. Napabilis din po yung pag-aangkat namin ng mga produkto," he added.

Now, the road provides a faster and less costly means of transporting goods. It also brings social, cultural and economic changes in the lives of the residents in terms of providing connectivity between people and places. Through this successful initiative, travel time is reduced and access to social institutions is now within reach.

WHERE THE ROAD TO PROGRESS STARTS...

Through **Assistance to Municipalities (AM)** program, the local government was able to rehabilitate the 820-meter segment of San Pablo's barangay road with a cost of **Php 11,623,000**. The project started by year-end of 2020 and was completed by April 14, 2021.

Residents saw significant improvements in their travel along the road and also provided benefits for the farmers in transporting their products, making their trips to/from the market easier and faster.

With the development starting from the barangay levels, the DILG's initiatives through its programs empower LGUs in contributing to the country's continuous pursuit of growth.

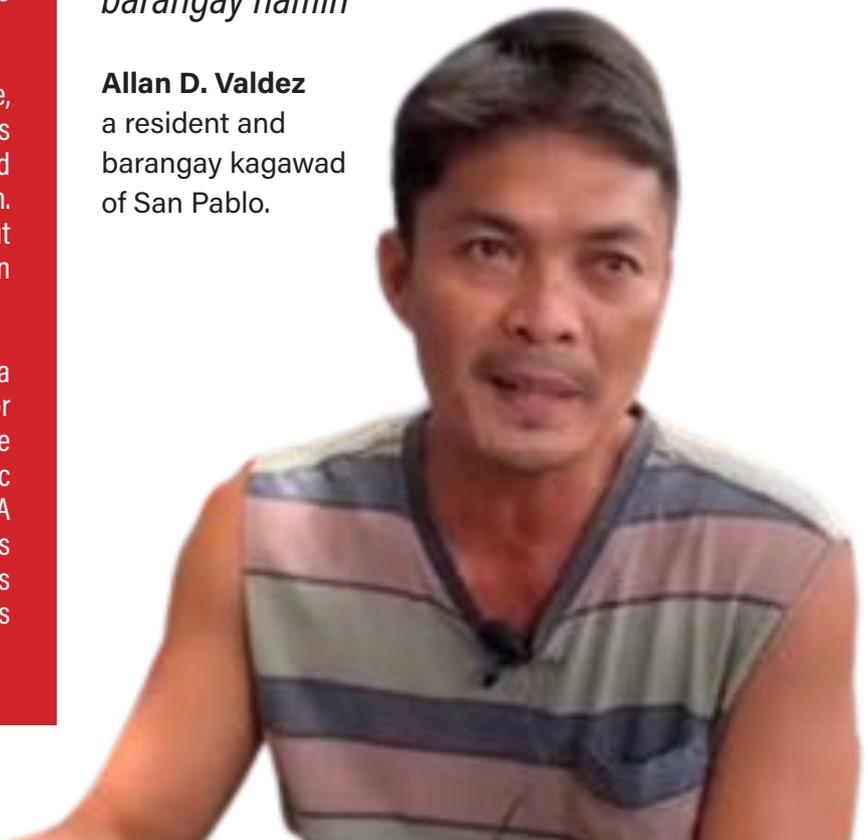

At the break of dawn, farmers prepare their equipment to start their usual day in the fields.

Their work in the fields is no easy task but for their case, even going to the fields poses a challenge to the farmers as they have to transit through the unpaved and potholed road of barangay San Pablo of Santa Maria, Pangasinan. This road is a primary pathway not only to the fields but it also connects to different barangays thus making it an important access point in the community.

Recognizing roads play a great indicator to measure a country's development, the Department of the Interior and Local Government (DILG), continues to capacitate Local Government Units (LGUs) in the delivery of basic services through the assistance to Municipalities (AM). A program that provides financial subsidy to municipalities in the implementation of their projects, which includes the reconstruction and development of Local Access Road (LAR).

"Sa DILG, maraming maraming salamat at madami ang natulungan ng proyekto nyo sa barangay namin"

Assistant Regional Director Agnes de Leon warmly welcomed all the heads, field officers and office staff from the different operating units in the regional and provincial offices.

With its goal to provide the workforce the latest information on the implementation of PPAs, provincial directors, division chiefs and unit heads presented the updates, future activities and reminders for the first quarter of the year.

NATIONAL QMS STAGE 1 AUDIT

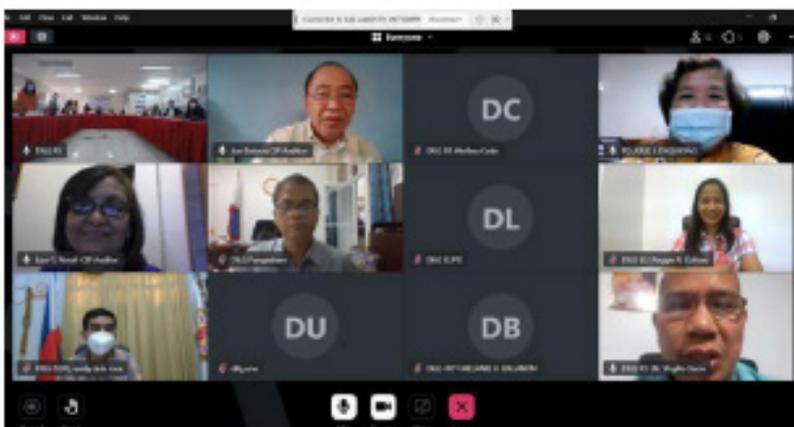

Aiming to determine the extent of compliance of DILG's QMS to ISO 9001:2015 standard and its readiness for Stage 2 Audit, the Certification International Philippines, Inc. (CIPI) conducted the Stage 1 Audit for DILG Region 1 on February 8, 2022 via GoToMeeting virtual

Headed by Audit Team Leader Justo R. Batoon, Jr. and Team Member Liza G. Rosal, the remote audit started with an Opening Meeting with the top management led by the Regional Director Julie J. Daquioag, Ph. D., CESO III, Assistant Regional Director Agnes A. De Leon, CESO V, Provincial Directors, Division Chiefs and all the process owners.

The scope of audit was on the Context of the Organization, Leadership and Commitment, Finance and Administrative Operations, Results of Internal Audit, Provincial Offices Operations and Regional Office Operations. DILG La Union was the selected Provincial Office to be assessed on Provincial Office Operations.

The Stage 1 Audit mainly focused on the availability and utilization of QMS documented information and tools of the procedures being administered within the organization.

GENERAL ORIENTATION OF THE APPRENTICESHIP PROGRAM FOR LG00 IIS AND IIIS-54TH BATCH

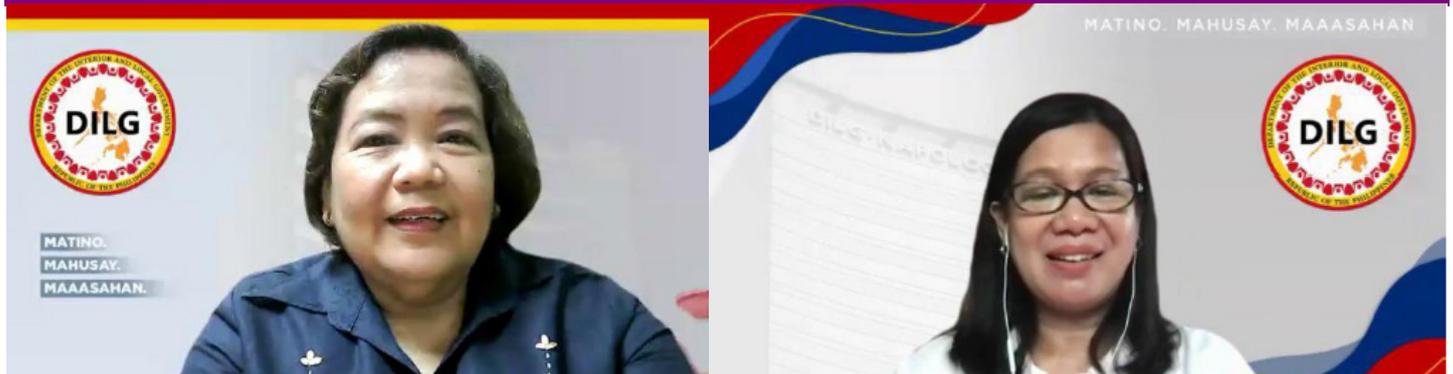

Thirty (30) Local Government Operations Officers II coming from the four provinces and from the regional office of the Department of the Interior and Local Government Region 1 (DILG R1) is currently participating in the General Orientation of the Apprenticeship Program for LG00 IIs and IIIs-54th Batch. Said activity is the Component I of the apprenticeship program. It started on March 16 and will continue until March 23, 2022 through the Zoom platform.

In her message DILG Regional Director Julie J. Daquioag shared to the group the importance of the program not only to the apprentices' career advancement but most importantly to the Department and to its clients. She also emphasized that the path that they will be taking will be difficult and that they must do their best to overcome it.

In addition, DILG Assistant Regional Director Agnes A. De Leon gave her insights and shared some of her experience during the training. She said that aside from their knowledge and skills, another important aspect that every apprentice must possess is good attitude. ARD De Leon also discussed the framework of the program and its various components.

The following topics to be discussed include the DILG Brand Identity, Philippine Local Government System, DILG Organizational Structure, Strategic Doctrine and Program Outcome, Salient Features of the Local Government Code, Code of Conduct and Ethical Standards for Public Officials and Employees (RA 6713), CSC Personnel Policies and Standards, and Supply and Property Management, among others.

The Apprenticeship Training for Local Government Operations Officers is a Competency Based Training (CBT) designed to equip the LG00s II and III personnel of the Department the necessary competencies to become effective catalysts for excellence in local governance.

DILG RO IS SAFETY SEAL RE-CERTIFIED

SAFETY SEAL

We follow safety & health protocols against Covid-19

On February 15, 2022, the Department of the Interior and Local Government Regional Office I (DILG RO I) is again awarded the Safety Seal for its sustained compliance to the requirements of the Safety Seal Certification Program (SSCP).

The assessment was conducted by the City Safety Seal Inspection and Certification Team composed of LG00 II Michael John F. Borja and AdA IV Roger Christian S. Macalino from DILG City Office, SFO2 Mar-Jeffrey J. Pascua from BFP-CSF, and PAT Menchie C. Dela Cruz from PNP-CSF. LG00 VI/HEA Marife M. Doculan assisted the team as they inspected the adherence of the Regional Office to the requirements of the SSCP.

The Safety Seal Certification is a voluntary certification scheme which affirms that an establishment is compliant with the minimum public health standards set by the government and uses or integrates its contact tracing with StaySafe.ph.

C.O.D.E TEAM VISIT

March 10, 2022- at Monarch Hotel, Calasiao Pangasinan: The Coordinated Operation to Defeat Epidemic (CODE) Team Visit "BIDA TUNGO SA NEW NORMAL" with Secretary Vivencio B. Dizon, Presidential Adviser for COVID-19 Response, leads the CODE Team Visit in Calasiao, Pangasinan on March 10, 2022, in coordination with the DILG, DOH, OCD and PIA.

This activity aimed to bring to life the government-enabled, local government-led, and people-centered response; to provide stronger support to LGUs who need it the most; and to serve as a platform for dialogue among LCEs, stakeholders, and business owners of Pangasinan and La Union.

Present virtually and physically were the key officials of DILG Region 1 headed by Regional Director Julie Daquioag, ARD Agnes De Leon, Provincial Directors Paulino Lalata Jr., Reggie Colisao, and Local Government Capacity Development Division (LGCCD) Chief Pedro Gonzales.

Sen. Christopher Lawrence "Bong" Go graced the event with his virtual message.

The participants were welcomed by Dagupan City Mayor, Hon. Marc Brian Lim.

COORDINATED OPERATION TO DEFEAT EPIDEMIC

REFRESHER COURSE ON COVID-19 CONTACT TRACING WORK (BATCH 1 AND 2)

Batch 2 of the Refresher Course on COVID-19 Contact Tracing Work: Guide for Local Government and Contact Tracers.

The activity was in partnership with the Department of Health (DOH), Department of Science and Technology (DOST), and Office of Civil Defense (OCD) and aimed to provide updates on the new policies and strategies of the government against COVID-19 to the Contact Tracers.

According to Regional Director Julie J. Daquioag, Ph.D, CESO III the activity is very important and crucial because we need to be always prepared due to the new variants of the SARS-CoV-2 and Contact Tracing is one of the effective strategies to stop the transmission.

The said activity was attended by the CMLG00s, DILG-DOLE-LGU-hired Contact Tracers, PNP and BFP Officers acting as Contact Tracers, Local Epidemiology and Surveillance Units (LESUs), Barangay Health Emergency Response Team (BHERTS), and LGU volunteers of the Province of Ilocos Sur.

DILG R1 RECEIVES MADAYDAYAW AWARD

The Overseas Workers Welfare Administration (OWWA) Regional Office I recognized the DILG Regional Office I under the leadership of RD Julie J. Daquioag for its active participation in the OWWA's Hatid-Sundo Program by assisting and facilitating the acceptance and transportation of human remains of the Overseas Filipino Workers (OFWs) during heightened community quarantine through close coordination with the Local Government Units (LGUs).

The award was received by LG00 VI/ HEA Marife M. Doculan and LG00V/ Focal Person Karen C. Castillo on June 20, 2022 at the J&V Function Hall, City of San Fernando, La Union during the 27th Migrant Workers Day.

The Madaydayaw Award is conferred to provinces and all government agencies in the region that participated as they have greatly exemplified teamwork and camaraderie to make sure that the OFWs reach their doorsteps through unhampered travel across the borders in the region.

Other awards conferred during the ceremony were Sinagtala (Starlight), Maringal (Majestic), Siglat (Agile), Bannuar (Hero), and OWWArrior.
