

DEPARTMENT OF INTERIOR AND LOCAL GOVERNMENT

REGION I 2010 ANNUAL ACCOMPLISHMENT REPORT

MESSAGE

Calendar year 2010 was truly an eventful year not only for the Department but for the whole country as well. We experienced the first – ever Automated National and Local Elections. We actively took part in the Synchronized Barangay and Sangguniang Kabataan (SK) Elections. And most importantly, leadership and thrusts changed.

Aside from promotion of excellence in local governance, transparency and forging of partnership with Civil Society Organizations became staples in the Department's menu. We also focused our attention on outcomes not just outputs. The Department went full blast in the implementation of capacity development activities for the newly – elected officials.

Despite of all these challenges, the Department of the Interior and Local Government (DILG) Region 1 Team rose to the occasion, as always. We all worked hard and pushed ourselves beyond our comfort zones to ensure not just compliance but quality services to our clients and partners.

To the DILG Region 1 workforce, thank you for continuously giving your best and let us all keep it up. To all our partners – both new and old – you have been very cooperative. All your efforts are vital to our achievements.

And of course, our sincerest thanks to all our top executives especially to Secretary Jesse M. Robredo, to all the Bureaus, Offices and the Local Government Academy (LGA) – all your unequalled assistance are the bright spots of our year.

The remaining 182 BCs were classified as inactive and some were dissolved already. The inactiveness or dissolution of BCs was attributed to the following factors:

1. mismanagement by Account Officers on the established BCs
2. inability of BC members to pay their agreed weekly pledges
3. failure of the members to pay loans
4. mismanaged livelihood programs that lead to bankruptcy and final dissolution of the BCs

These remaining sustained BCs are ready for turn-over to LGUs and other appropriate agencies i.e. cooperatives, multi-financing institutions, and others. However, the Bureau of Local Government Development (BLGD) has not yet issued the guidelines on the turn – over.
