

**Department of the Interior and Local Government**

# **2011 Annual Report**

**Region I**

# MESSAGE

The year 2011 was meaningful as we celebrated the 20th year of the Local Government Code. It was also the year that we struck our campaign “Tapat na Palakad, Bayang Maunlad”. And we proved that, good local governance is not hard to achieve.

We took all the challenges and upheld our culture of excellent service. We also encouraged the Local Government Units (LGUs) of Region 1 to give their best and be part of the good local governance movement taking place all over the country.

This Accomplishment Report bears the unity and hard work of all the men and women of the Department of the Interior and Local Government (DILG) Region 1. The report also reflects the imprints of our strong partnerships with other stakeholders especially with the Civil Society Organizations (CSOs), the LGUs and other regional line agencies.

To the Secretary, Hon. Jesse M. Robredo, and the DILG Central Office executives, our appreciation for all the support and guidance you have given to us. To the work force of DILG Region 1, thank you for giving all your best. To our partners, our gratitude for your unending assistance to the Department. We are looking ahead for a better and brighter 2012!

**DR. JULIE J. DAQUIOAG, CESE**  
**OIC - Regional Director**

# Executive Summary

The Department of the Interior and Local Government – Region I has been very supportive to Secretary Jesse M. Robredo’s Change Agenda: PART (Performance, Accountability, Responsiveness and Transparency). This thrust of the Department is in line with President Benigno S. Aquino III’s resounding battle cry *Kung Walang Corrupt, Walang Mahirap* with the strong determination to pursue national reforms and restore good governance in the Philippines.

No less than Sec. Robredo issued marching policy statements to the DILG personnel to include performance, commitment, transparency, accountability and visibility. These were laid down the groundwork for stronger Department in terms of delivery of programs that will benefit the local governments.

As the Department has been undergoing many changes to ensure the implementation of priority programs, projects and activities, technical or field personnel of the DILG Region I is involved and committed towards better delivery of services to our constituents. Attendance to the two-day training “Changing Gears Towards Greater Productivity: A Dialogue with DILG Key Officials – Creating a Common Roadmap for DILG” conducted on August 1-2, 2011 provided the Field Officers knowledge on the operational Change Agenda of the Department and eventually as agents of change by increasing the level of credibility and trust of our constituents and stakeholders have with us.

In our Department, the battle cry of the President paved way to institutionalizing various reforms and initiatives to our journey towards “*Tapat na Palakad, Bayang Maunlad*”, the *Biyaheng Pinoy* slogan.

The DILG Region I continue to pursue the implementation of programs, projects and activities geared towards the attainment of its organizational and program outcomes as follows:

# Outcome 1

*empowered and accountable LGUs*

## Newly Elected Officials (NEO)

**Thirty** Local Government Units (LGUs) of the Region formulated their respective Executive Legislative Agenda (ELA) as one of the basic requirements of the NEO-Track 1B (Knowing my LGU) covering a period of 3 years from 2010-2013 from the newly administration of the LGU.

**Sharpening the Saw** provides for the training and capacity development interventions mapped out from the LGUs' Capacity Development Agenda. Demand-driven training was conducted for various municipalities of Ilocos Norte, Ilocos Sur and La Union.

## Barangay Newly Elected Officials (BNEO)

The DILG in partnership with the Liga ng mga Barangay implemented the BNEOP Component 2 from February 2011 to April 2011. At the end of the component, a total of 31,707 elected and appointed local officials from 3,265 barangays participated the CapDev activity.

The two day orientation provided participants extensive knowledge on the following areas: Barangay Governance and Administration; Improving Transparency; Enhancing Performance through Accountability and Laying the Grounds for Development.

One significant output of the activity is the crafting of the Barangay Agenda for Governance and Development (Brgy. AGAD). The agenda will serve as the developmental roadmap of the barangay for a period of three years. Towards the completion of the program, a total of 3,265 barangays were able to craft their Brgy. AGAD.

### For **BNEO Component 4: Sharpening the Saw**

Under this component, we have targeted demand-driven trainings for 260 barangays as to realigned OPB, but we had accomplished 580 barangays. Demand-driven trainings were conducted in various municipalities of Region 1.

## LGPMs v.2.1

**LGU Scorecard on Health:** The LGU Scorecard on health provides information on the effectiveness and equity on health performance of an LGU in a form of a report card. All of the LGUs had 100% DCF Accomplished, reviewed by PHO & CHD, on-line data entries, and generated report.

**Local Tourism Statistics System (LTSS):** This can track information on tourism establishment and revenues generated from this tourism. All of the LGUs had 100% DCF Accomplished, on-line data entries, and generated report.

## Barangay Governance Performance Management System (BGPMS)

A self assessment tool for barangays has also been adopted by the cities as pilot areas, and the municipalities. Orientation briefings were conducted and continuous technical assistance was provided in the gathering of data and preparation of the 2010 Barangay State of Local Governance Performance Management System. In terms of additional significant accomplishments there were 388 targeted barangays in the year for the BGPMS implementation. supersede

## LGU-Civil Society Engagement and Partnership

### *Enhancing LGU-NGO-CSO Collaboration*

The Department of the Interior and Local Government Region 1 in partnership with the Citizens Core Group/Northern Luzon Coalition for Good Governance (NLCCG) conducted the Regional Workshop on "Strengthening National Government Agencies (NGAs), Local Government Units (LGUs) and Civil Society Organizations (CSOs) Partnerships for Advancing

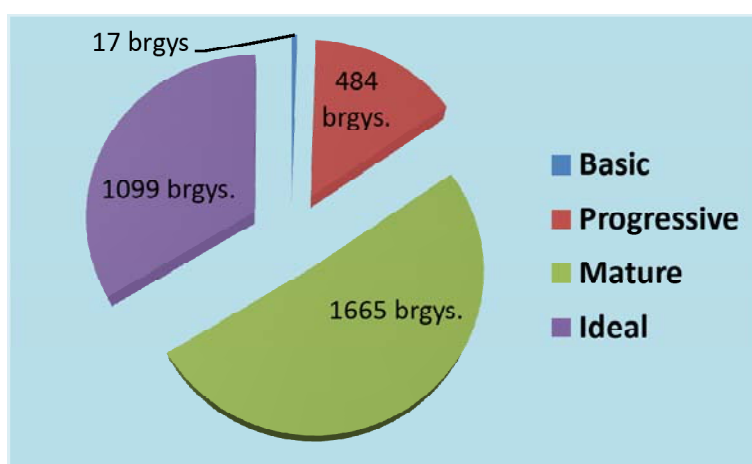

Good Local Governance” on October 5, 2011 at Sea and Sky Hotel, San Fernando City, La Union. The regional workshop is a basic step towards the establishment of an institutional mechanism for dialogue and collaboration between and among the NGAs, CSOs and LGUs of Region 1. Likewise, it is an avenue to bring together among stakeholders to systematically identify areas of cooperation, convergence and synergy.

There were forty two (42) out of thirty nine (39) expected participants attended the training workshop composed of CSOs, LMP Presidents/representatives, VLMP Presidents/Representative, LDDCI

## Civil Society Organization (CSO) representation in the Local Special Bodies

The Local Special Bodies (LSBs) include the Local Development Council (LDC), Local School Board (LSB), and Local Health Board (LHB) are 100% reorganized and reconstituted in the 4 provinces of the region. Various NGOs/CSOs are represented in these special bodies with accreditation from the Local Sanggunian. NGO/CSO membership in the LSB and LHB are identified while membership in the LDC requires not less than 25% of the total number of membership. The 129 LGUs comply with CSO representatives in the said special bodies.

## Vigilance to Volunteerism: A Program Intensifying People’s Engagement in Local Governance (V2V PIPELOG)

The Department of the Interior and Local Government (DILG) through its Local Government Academy (LGA) launched a program that would enlist the active participation of civil society organizations (CSOs) in local governance. Dubbed as “Vigilance to Volunteerism: A Program Intensifying People’s Engagement in Local Governance (V2V PIPELOG)” aims to improve the state of local governance through integrating civil society organizations (CSOs) in local government processes and enlisting their active participation in governance.

The V2V PIPELOG will focus on promoting NGOs and CSOs active engagement in local governance not just on local planning but through research study, institutional capacity building of CSOs and LGUs, policy reforms, volunteerism programs and technical assistance, network building and performance evaluation and feedback.

CSO Mapping was conducted in May to June 2011 with a total of 209 out of targeted 192 CSOs administered the Tools.

## Magna Carta on Women

Republic Act No. 9710, otherwise known as the Magna Carta of Women, seeks to guarantee and protect the basic rights and freedoms of Filipino women, especially those in the marginalized sector, and promote the development of their well-being whether here or abroad. The Magna Carta of Women also sought to protect women from all forms of violence, including those committed by the state. It mandates training on human rights and gender sensitivity by all government personnel involved in the protection of women against gender-based violence.

All of the LGUs of this region had established mechanisms in implementing the law, RA No. 9710.IEC/advocacy on the salient features of women-related laws such as RA 9262 and RA 920 during regular meetings of the Liga ng mga Barangay and Barangay Secretaries.

## Barangay Development Councils (BDCs)

The Functionality of the Barangay Development Councils (BDCs) is monitored annually. There are four (4) levels of functionality as follows: **Basic** – has a score of 20%; **Progressive** – has a score of 21 – 50%; **Mature** – has a score of 51 – 79%; and **Ideal** – has a score of 80 – 100%. Of the 3,265 barangays in the region, 1,099 belong to the Ideal, 1,665 are in the mature level while 484 are in the progressive and 17 are in the basic level. The data follows:

## Local Government Scholarship Program (Foreign and Local Programs)

The LGA offers training programs for local governments that will empower and transform them from being a mere recipient of services to an active and dynamic partner of the national government in the implementation of development initiatives to improve the quality of life of the constituents. These programs range from basic orientation to specialization courses on governance and administration, social services, economic development and environmental management.

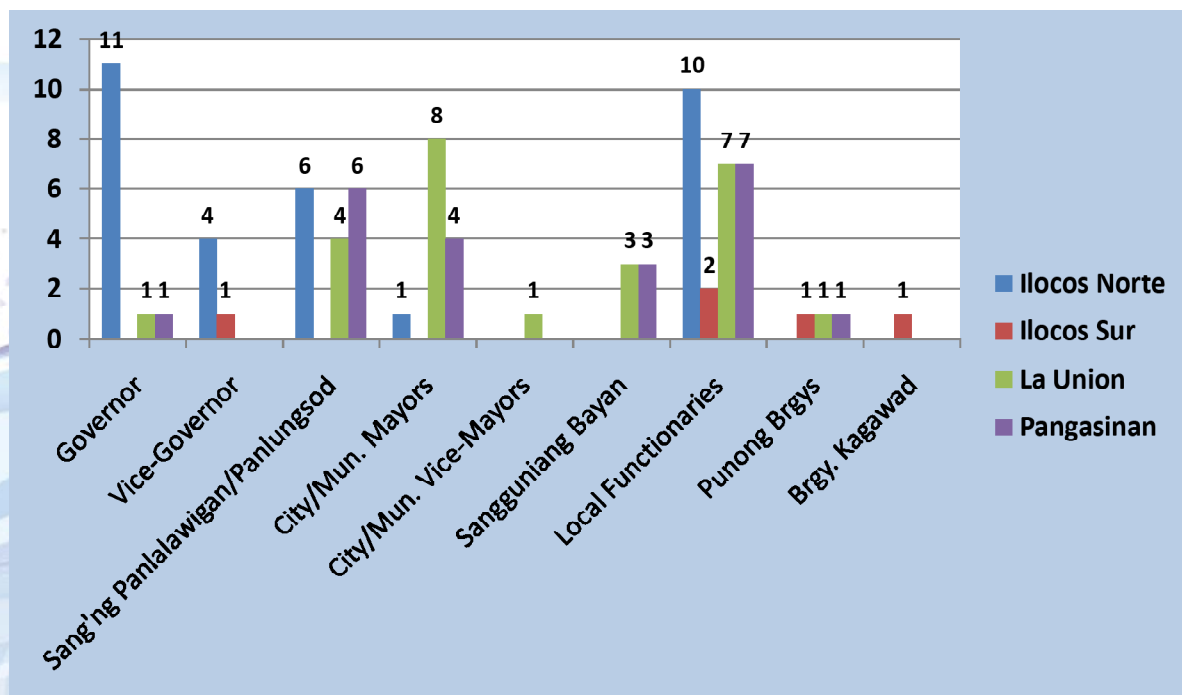

There are twenty nine (29) Regional Memoranda sent to the provinces disseminating sixty six (66) foreign scholarship courses during the year under the Colombo Plan, Bilateral and Special Programs. There were two (2) LGU applications reviewed and indorsed by the Regional Office for pre assessment by the DILG-CLGSC. Only one LGU passed the assessment criteria in the person of Mr. Jowey C. Celso, Municipal Social Welfare and Development

Officer of Anda, Pangasinan and has been accepted as grantee to the course, "Planning for Reduction and Sustainable Development" which will be held in India from February 28 to March 27, 2012 under the sponsorship of the Indian Technical and Economic Cooperation (ITEC).

### Processing of Travel Authority

DILG memorandum Circular Nos. 2000-27, 2001-52, 2006-22 and 2006-163 set forth the rules and regulations governing this foreign travels. These are issued with the end in view to further promote efficiency in the performance or delivery of services through the simplification of the processes, support the overall efforts of government in conserving scarce public funds and to ensure that when public funds are utilized, is beneficial to the country particularly the concerned local government. Foreign travels of elective and appointive local government officials and employees, whether official or unofficial shall be covered by these rules and regulations.

disaster resilient LGUs

## Disaster Risk Reduction Management Climate Change Adaptation (DRRM-CCA)

Basic Orientation on Disaster Risk Reduction Management and Climate Change Adaptation for LGUs was conducted in the Province of Pangasinan. The 49 LGUs had a better understanding of the concepts and principles of DRRM and CCA, knew their roles and functions in mainstreaming, engaged their local communities and identified their key actions.

The training was conducted in three (3) batches: 1st batch with the 1st and 2nd Districts on October 13-14, 2011; 2nd batch with the 3rd and 5th Districts on October 27-28, 2011; and 3rd batch with the 4th and 6th Districts on November 15-16, 2011 all in Dagupan Village Hotel, Dagupan City

### *In Local Government System and Processes*

The BLGD in partnership with DILG ROI launched the program in Dagupan City on June 29-30, 2011. LCEs and functionaries from the 22 pilot LGUs participated and forged a MOA with the Department to implement the project in their respective LGUs.

The three (3) LGUs from Region I are: San Carlos City, Bayambang and Bautista, all from the Province of Pangasinan. In the program, all recipient LGUs will undertake series of trainings and will be provided financial subsidy for procurement of early warning systems, preparedness equipment and other equipage. The amount of P414,700.00 will be released to the three LGUs and the Provincial Government of Pangasinan for the said purpose after signing the MOA with the DILG ROI and the BFP ROI.

The following training modules were already provided such as Orientation Seminar on DRRM/CCA, Rationalized Planning System & Ecological Profiling, Community-based DRRM and Early Warning System

## Updating of CLUP integrating CCA-DRRM

The strategies of the LGUs to minimize or hinder the effects of climate change need to be integrated in their CLUPs.

**CLUP** is one of the mandated plans to be prepared by the LGU in accordance to the provision of the Local Government Code. Hence, the Department sees to it that formulation of the said CLUP be monitored by the DILG. Below is the Status of the formulation of CLUP by the LGUs. (Note: CLUP indicated here has no integration of DRRM – CCA except the Mun. of Vintar, Ilocos Norte).

## National Greening Program Billion Trees

DILG Regional Director Manuel V. Biason issues a Memorandum to all Provincial Directors and field officers enjoining them to conduct advocacy activities in their respective areas of jurisdiction in line with the National Greening Program (NGP). The office also took part in the NGP Regional Launching conducted in Caba, La Union on June 25, 2011. As contribution to the Program, all regional office management and staff have committed to plant 10 seedlings each starting August 12, 2011 in Barangay Masicong, City of San Fernando, La Union.

## Scaling - up Replication of Good Practices (GO - FAR)

GO-FAR is a facility designed to assist LGU's in building their capacities by providing them the opportunity to improve local governance along the areas of development planning, fiscal administration, accountability and service delivery through replicating good practices that are participatory, innovative and sustainable. Basically, it deals more on the strategies in facilitating the actual exercise of the transfer of technology of specific good practice where interested LGUs would want to replicate, manage knowledge and funds for sustainable technical assistance.

Provision of technical assistance in the documentation resulting to the submission of seven (7) documented good practices of the following Provinces:

- o **Ilocos Sur:** Cabugao ("Dardarat Fish Sanctuary"), Sto. Domingo ("3K") and PGIS ("SIGLAT")
- o **La Union:** Agoo ( Child Friendly Municipality)
- o **Ilocos Norte:** Sarrat ()
- o **Pangasinan:** Urdaneta City & Basista

# Outcome 3

*competitive and business-friendly LGUs*

## BUSINESS PERMITS AND LICENSING SYSTEM

Aimed to prevent corruption and red tape, the adoption of BPLS has made LGUs streamlined its transactions on business permits and licensing. The lessening of steps from 8 to 5 and signatories from 5 to 2 reduced the processing time therefore facilitates faster and timely service delivery.

The Cities of San Fernando (LU), Vigan (IS), Laoag (IN) Alaminos & Urdaneta City (Pangasinan) and Bauang, La Union are already adopting the BPLS Reform Standards making it 6 (75%) out of 8 LGUs. Transactions on business permits and licensing are streamlined. Competitiveness, transparency and empowerment are progressively manifested as the system is being institutionalized. The lessening of steps and signatories reduced the processing time and it facilitated faster and timely service delivery.

From its first year of implementation in 2010, there is a total of 14 LGUs as national targets for BPLS implementation. Of the fourteen (14) LGUs, to date there are only five (5) LGUs that have adopted the BPLS streamlining process, i.e. use of a standard form/unified form; reduction in the number of steps; reduction in processing time and the reduction in the number of signatories.

These LGUs are Alaminos City, Urdaneta City, City of San Fernando, Laoag City and Vigan City. The nine (9) on-going LGUs on streamlining are Anda, Agno, Bani, Bolinao, Burgos, Mabini, Sual, Urdaneta City and Agoo, La Union.

Trainers for this activity are the trained coaches from the DILG Regional and Provincial Offices and the DTI Field Offices.

### *Focused Group Discussion*

The objectives of this activity is to give focus and concentration on the streamlined processes in the national target LGUs both for the streamlined and non-streamlined LGUs at present for CYs 2010 and 2011 and to discuss issues and problems encountered for possible actions and recommendations. Participants to this activity are the Provincial Directors and BPLS Provincial Focal Persons of the four provinces from DILG and DTI and the DILG Officers of the 14 national target LGUs.

One of the highlights during the FGD is the presentation of the City of San Fernando on their streamlined process. BPLO Mendoza together with the City Fire Marshall, City Engineer presented their BPLS experience after they were introduced by the DILG Officer of City of San Fernando CLGOO Angelita A. Gongora. Their presentation include the problems encountered while streamlining and the strategies and methodologies they employed to come up with the standard process.

## **Strengthening of the Local Economic Investment Promotion Officer (LEIPO)**

DILG MC #2010 – 113 dated October 13, 2010 calls for the designation of the Local Economic and Investment Promotion Officer (LEIPO) at the Provincial and City levels.

However, some municipalities in the region have designated their respective LEIPOs. All the 4 provinces and 8 cities have their LEIPOs except Dagupan City, whose LEIPO just resigned and no replacement yet to date. Out of the 13 targeted LGUs (cities & provinces only), 12 or 92% have LEIPOs designated.

## Local Governance Support Program - Local Economic Development (LGSP-LED) and One Cluster, One Vision (OCOV)

The Local Governance Support Program for Local Economic Development (LGSP-LED) is an 8-year collaborative project of the Governments of Canada and the Philippines. The program is implemented in the country by the Canadian International Development Agency (CIDA) in coordination with the Department of the Interior and Local Government – Bureau of Local Government Development (DILG-BLGD).

LGSP LED is designed to support the development of viable model LGU alliances with specific focus on LED through strengthened organizational capacity to undertake sustainable, locally-driven economic development. The One Pangasinan Alliance of LGUs (OPAL) in the 1st district of Pangasinan is one of the selected alliances for the 1st batch. Initially, it is composed of seven (7) LGUs namely, Alaminos City, Agno, Anda, Bani, Burgos, Mabini, and Sual. Later part of 2010, the LGUs of Dasol and Infanta expressed their interests to join the Alliance. The LED Initiatives of OPAL are the Sustainable Agriculture in Organic Rice, and Eco Tourism.

In the later part of 2010, LGSP LED again initiated their program for the 2nd Batch of LGU Alliances. Cluster of LGUs were invited to apply for the program. The two (2) clusters in the region, CUMILOS (*Cluster of Upland Municipalities of Ilocos Sur*) and COINCIDE (*Coastal Towns in the North Clustered for Integrated Development*) applied for the program. The 2 Clusters were included in the shortlist and were validated by the LGSP Team. However, they were not included in the Batch 2 Alliances of LGUs but they were included in the Magic 6. For this, the Magic 6 is given capacity assistance by the LGSP LED for the period of six months. The municipalities that composed CUMILOS are: *Banayoyo, Lidlidda, San Emilio, Gregorio del Pilar, Quirino, Burgos and Nagbukel*. The municipalities that composed COINCIDE are: *Pasuquin, Bangui, Burgos and Pagudpud*.

*The following are the activities undertaken in the three LGU Alliances/Clusters:*

### **OPAL:**

- ✓ Annual Workplan 2011 for OPAL prepared
- ✓ Value Chain Analysis on Rice conducted and participated by the TWG
- ✓ Trained farmers organized into Likas Saka. They were provided with IT skills and assisted in the preparation of their Internal Control System
- ✓ OPAL Executive Committee and TWG meetings conducted
- ✓ Write up and video of 2 Eco Tourism sites in Mabini and Bani prepared and documented
- ✓ Selected OPAL TWG attendance to seminar/workshops conducted by LGSP LED
- ✓ Focus Group Discussion (FGD) for the Project Implementation in OPAL conducted. Likewise, Project Site Visit on Organic Farming conducted in Alaminos City and Bani
- ✓ Training on the Advocacy of Organic Farming in the 9 OPAL LGUs with 10 farmers each as participants

### **CUMILOS:**

- ✓ Cluster reorganized and expanded making the LGUs 7 from 5 with the inclusion of Burgos and Nagbukel
- ✓ Five cluster meetings conducted
- ✓ Agreement among the LGU members to establish a Trust Fund for the Cluster with their financial contributions
- ✓ Selected Cluster Officers attendance to three (3) Seminars/Workshops conducted by LGSP LED. Expected output from the Cluster is their Local Economic Profile.
- ✓ Conduct of Writeshop on Project Proposal Preparation in the CUMILOS area
- ✓ Draft Project Proposal presented to the Executive Committee and LED Team for finalization

### **COINCIDE:**

- ✓ Cluster reorganized with the Mayor of Burgos as the Chairman
- ✓ COINCIDE Project from the P1 M fund provided by the Provincial Government implemented in three (3) LGUs
- ✓ Draft qualification standard for the position of Cluster Administrator prepared
- ✓ Selected Cluster Officers attendance to three (3) Seminars/Workshops conducted by LGSP LED with the Local Economic Profile as their output.
- ✓ Conduct of Writeshop on Local Economic Profile of the COINCIDE
- ✓ Five cluster meetings conducted

The DILG Region 1 in collaboration with LGSP-LED conducted the Regional Economic Transformation Team Conference on September 27, 2011 at the Ariana Hotel, Bauang, La Union. The participants are the representatives of the three (3) Alliance/Clusters in the Region (OPAL, CUMILOS, COINCIDE), and the NGAs like DENR, DOT and TESDA.

## PACTS on Anti - Red Tape Act (ARTA)

Republic Act 9485 otherwise known as the Anti-Red Tape Act of 2007, its IRR and MC 2008-164 mandate the government agencies and Local Government Units to set up service standards to be known as Citizen's Charter in the form of information billboards to be posted at the main entrance of office or at the most conspicuous places in the form of materials written in English, Filipino or in the local dialect. All provinces, cities and municipalities have already complied with provisions of the Policy Compliance Tracking System on Anti-Red Tape (Public Assistance/Complaint Desk, One-Stop - Shop or Walk-in Service Counter and Courtesy Lane for Pregnant Women, Senior Citizens and Persons with Disabilities).

## Sagana at Ligtas na Tubig para sa Lahat (SALINTUBIG)

A Tri-partite Agreement between NAPC, DOH and DILG on December 2010 was forged to address the potable water problem of more than 300 LGUs nationwide. NAPC is the lead coordinating agency of the program, will develop monitoring and evaluation system and will submit reports to the Office of the President; DOH will take the lead in the implementation of the infrastructure component including the review, approval and financing of the water supply systems for CY 2011 targets; and DILG will be responsible for the capacity development requirements of the LGUs and the water service providers in the planning, development, and operations/management of the water services funded by the Program. The LGUs: Provinces/Municipalities are the Implementing Agencies of the Water Supply Projects, that will be responsible in the preparation of the feasibility studies and engineering design, engaging the contractors for civil works construction, and managing the facilities.

For 2011, the Program covers 115 waterless municipalities, 62 waterless barangays, 55 waterless health centers, and 24 waterless resettlement sites, using the P 1.5 Billion Funds released to DBM. R1 beneficiaries: Bolinao, Aguilar, Urbiztondo (P10M each); Pagudpud, Bangui (P2.5M each).

# DILG Communication Plan for CY 2011

DILG Communication Plan for CY 2011 was submitted by the Provincial Information Officers of four (4) Provinces to the Office of the RD to have a Regional ComPlan. The plan is aligned to the various PPAs of the department with corresponding timeline and strategies of implementation during the year.

## Retooling

Retooling of Personnel for Change Agenda was participated by DILG officers & technical personnel from the four (4) Provinces as well as from the Regional Office on last August 1-3, 2011. "Changing Gears Towards Greater Productivity: A Dialogue With DILG Key Officials" was the theme of the activity where the SILG had met face-to-face with the officers.

The activity was full of workshops and presentation about the change agenda of the department - changing the perspective of development from output oriented to outcome point of view. This entails changing the way of thinking and approach to issues on a transparent and participative undertaking. The change agenda of the department has received different views from the LGUs but are now embracing the process because of different level in governance especially now that the department is awarding those performing LGUs in appreciation of their efforts and participation to the thrust of the national government.

## Team Effectiveness / Staff Development

### *Division Staff Meeting / Team Building / QIT Meetings*

In order to effectively implement the program of the department, the Local Government Capability Development Division, Local Government Monitoring & Evaluation Division, Financial & Administrative Division, and Office of the Regional Director had conducted regular monthly meeting. Basically, said meeting aims to review programs, address issues encountered. For the development of the staff, Program Implementation Review of PPA cum Team Building was conducted sometime in December 2011 to foster good working relationship between and among them.

Monthly QIT meetings were also conducted to further enhance capabilities and effectiveness of the division staff in the different program implementation.

### *Provincial Office / Staff Conferences*

Towards improving effectiveness and efficiency, the management conducts regular weekly staff and bi-monthly fieldmen's conferences in four (4) Provincial Offices presided by Provincial Directors. District Meetings are also conducted monthly.

The following are discussed during meetings:

- Plans, Projects and Activities to be implemented
- Latest issuances and policies
- Issues and concerns in the implementation of PPAs
- Discussion on the latest legal opinions
- Capability building interventions

### *Cluster Supervision / Meetings*

Regular sub-cluster meetings are being attended by the Provincial Directors and Cluster Coordinators in their respective provinces to disseminate and discuss concerns that involve and guide the clusters. Sub cluster action plans and monitoring of its implementation measure the functionality of the clusters which are being supervised by the provincial management.
